

**PARENT NOTIFICATION LETTER FOR K-12 Grades SEXUAL HEALTH EDUCATION**

Dear Parent or Guardian:

Sometime during the school year your child will receive Sexual Health Education as part of the CPS Sexual Health Education Policy. The Board acknowledges that parents/guardians are the primary sexuality educators for their child/children and **Hibbard** is committed to partnering with parents/guardians to provide supplementary instruction to students via the sexual health education lessons. You are welcome to meet at the **Hibbard Library** at our upcoming parent/guardian meeting on **January 27<sup>th</sup> 3:15-4:00** where we'll share the lessons and information we'll be teaching your student.

In alignment with Illinois State Code 105 ILCS 110/3 (*No pupil shall be required to take or participate in any class or course on AIDS or family life instruction if his parent or guardian submits written objection thereto, and refusal to take or participate in the course or program shall not be reason for suspension or expulsion of the pupil*), no student shall be suspended or expelled for refusal to participate in any such course with submitted objection.

Sincerely,

---
